

The screenshot shows the Microsoft To Do app interface. At the top, there's a navigation bar with '16' and 'Wk' indicating the number of tasks and the week. Below the navigation bar is a search bar and a 'New Task' button. The main area displays a list of tasks categorized by priority: 'High' (1 task), 'Medium' (2 tasks), and 'Low' (1 task). Each task card includes a checkbox, a title, a due date, and a description. A vertical sidebar on the left lists sections like 'Weekly', 'Workplace Settings', 'Monthly', 'Achievements', 'Blog', and 'Account'. On the right, there are buttons for 'Start Using Easi' and 'Quick Notes'.
